

Conference/AGM Update

ProGuides Needs YOU!

- **Renew Your Membership Now**

Be seen, Be heard, Be informed and belong to a professional organisation with like minded fellow guides.

Your membership must be current for you to participate at the AGM

- **Get your Conference Registration in**

Your opinion is important. Attend our upcoming Conference/AGM. Meet your fellow guides and be involved in shaping the association's future.

Fill out the registration form on-line, or print and fill out the form below

We urgently need final numbers for conference planning. Please register as soon as possible, including registration for free events.

- **Join the Committee to Help Steer the Association**

Your Association is what you make it. Play an active part and join the committee, and approach others to join along with you.

Nominations close 4 May. See on-line nomination form on the website

Conference/AGM Updates

Programme updates are being added to the on-line programme on the ProGuides website. Keep a check for changes.

Friday 24 May Addition

Auckland Rail Link: What's in store and how it will work for our tourists.

Presentation on the new rail link at Karanga-a-Hape Station
(Junction of Mercury Lane & Cross St, behind Karangahape Rd) **12 noon**

We will then walk (or bus by City Inner Link) from the rail link presentation to **Auckland museum** for an introduction to their tourist offerings; Maori cultural presentation, **Aorearoa Unveiled** (the museum's behind the scenes tour) and an overview of their tourism services

This will be a really worthwhile afternoon, so do make the effort to get to Auckland for the Friday

Friday Evening

6pm onwards. Informal gathering at Elliott Stables, 39 Elliott St Auckland Central. Come for a drink or a meal or both. Your choice, at your cost. There will be a ProGuides reserved area. *Note: This event was missed off the original on-line registration form, but details are in the programme.*

ProGuides Website Login Tipps

It seems that some members have had difficulty logging in, or in changing their password. Please try the following:

Clear any auto-filled content on the login fields.

Request a new password and change new elaborate curly login sent via system to a more memorable one if you prefer that after the first login.

The system can be slow and will reply with an error message if you're clicking through too fast.

Still to Come

- Further programme updates - ongoing
- AGM agenda and documents – will be circulated by 11 May

Please get those registrations & membership renewals in ASAP

See you in Auckland
